## Talent Development

**Student categories:** Chinese Government Scholarship students, International Chinese Language Teachers Scholarship students, Liaoning Provincial Government Scholarship students, self-paying students, school-level exchange students etc.

---

**Non-degree education:** short-term further education; long-term further education

---

**Student levels:** introductory, beginner, intermediate and advanced

---

The beginner and intermediate levels consist of 3 ranks: high, average and low, whereas the advanced level has 2 ranks: high and low. Non-degree education is featured by short-term intensive Chinese teaching mode, which enables students to improve their Chinese language proficiency rapidly in a short period of time.
