About SYUCT

SYUCT locates in the Shenyang Economic and Technology Development Zone. The campus covers an area of almost 250 acres, with a building area of more than 500,000 square meters. Blending academy, garden and art into one, it is one of the most beautiful campuses in Liaoning Province.

INTERNATIONAL EDUCATION SCHOOL

In 1952, Shenyang University of Chemical Technology (SYUCT) came into being. After 70 years' construction and development, SYUCT has become an engineering-oriented institution of higher education.

Featuring Chemical Engineering, it has a combination of disciplines of engineering, science, management, economics, humanities, law, medicine etc.

SYUCT is the key construction university of “Double First-class University” (first-class university, first-class discipline) in Liaoning Province, and the national key construction university of “Basic Capacity Building Project in Central and Western Universities” (minor “211 Project”).

SHENYANG UNIVERSITY OF CHEMICAL TECHNOLOGY INTERNATIONAL EDUCATION SCHOOL

14,000
full-time
students

- Undergraduates
- Postgraduates
- International Students

16 colleges and
departments

1,100
faculty
and staff
members

- **5** Top National Scientists,
- **1** National Prominent Educator,
- **4** National Excellent Teachers,
- **15** National Outstanding Experts

- **1** Top Scientist,
- **6** Outstanding Experts in Liaoning Province
- **17** Liaoning Province Prominent Educators

Undergraduate Programs

College	Specialty	Duration (Year)	Instruction Language	Tuition Fees (Yuan/Year)	Dormitory Fees (Yuan/Year/ Double Room)
College of Chemical Engineering	Chemical Engineering and Technology	4	Chinese/English	14000/16000	6000
College of Information Engineering	Electrical Engineering and Automation	4	Chinese/English	14000/16000	6000
College of Mechanical and Power Engineering	Energy and Power Engineering	4	Chinese/English	14000/16000	6000
	Mechanical Design, Manufacturing and Automation	4	Chinese/English	14000/16000	6000
College of Pharmaceutical and Biological Engineering	Pharmaceutical Engineering	4	Chinese/English	14000/16000	6000
College of Computer Science and Technology	Computer Science and Technology	4	Chinese/English	14000/16000	6000
	Software Engineering	4	Chinese/English	14000/16000	6000
College of Economics and Management	International Economics and Trade	4	Chinese/English	14000/16000	6000

Postgraduate Programs

College	Specialty	Duration (Year)	Instruction Language	Tuition Fees (Yuan/Year)	Dormitory Fees (Yuan/Year/ Double Room)
College of Chemical Engineering	Chemical Engineering and Technology	3	Chinese/English	18000/20000	6000
	Chemical Engineering	3	Chinese/English	18000/20000	6000
College of Energy and Power Engineering	Power Engineering and Engineering Thermo-physics	3	Chinese/English	18000/20000	6000
College of Mechanical Engineering	Mechanical Engineering	3	Chinese/English	18000/20000	6000
College of Information Engineering	Information and Communication Engineering	3	Chinese/English	18000/20000	6000
	Control Science and Engineering	3	Chinese/English	18000/20000	6000
College of Computer Science and Technology	Computer Science and Technology	3	Chinese/English	18000/20000	6000
College of Pharmaceutical and Biological Engineering	Pharmacy	3	Chinese/English	18000/20000	6000
College of Economics and Management	Applied Economics	2.5	Chinese/English	18000/20000	6000
	Management Science and Engineering	2.5	Chinese/English	18000/20000	6000

Basic Requirements

Application Requirements

- ✓ *Age 18 years to 22 years old*
- ✓ *Passport valid for more than 12 months*
- ✓ *Highest academic qualifications and transcripts (non-English materials are required to provide certified Chinese/English translations)*
- ✓ *Proof of recent work or proof of no criminal record (After graduation more than 12 months)*
- ✓ *Physical Examination Form*

*Language &
Foundation Student*

*Undergraduate
Student*

*Postgraduate
Student*
